BURTON FLEMING NEWSLETTER

THIS ISSUE IS SPONSORED BY ST. CUTHBERT'S CHURCH

HISTORY GROUP

BURTON FLEMING, PLEASE, PLEASE VOTE.

We have applied for a grant of £500 from the Skipton Building Society Grass Roots Giving project and are now on the final shortlist. However, this final stage depends on a public online vote; i.e. those that gain the most votes receive the money.

We have applied for the grant money to enable us to protect and file the archive material we possess about the village. This in turn will allow us to better display and present the items.

Please vote for us. We need everyone in the village to vote, and more. Voting closes October 13th 2017. www.skiptongrg.co.uk.

Go to Grass Roots Giving 2017 and click 2017 shortlisted groups. On map click on Yorkshire and Humber - click on No 10 Burton Fleming History Group - Read or scroll down our application and at the very bottom - Enter your email address and click on VOTE NOW.

We opened our winter season of talks in September with a presentation by Fred Walkington titled Visit Bridlington, The Early Years which looked at the whole aspect of travel and holidays in the town from mid 1800s to the mid 1900s.

Our next meeting is on Thursday 19th October when David Smith presents 'The Blood Stained Glove' that examines duelling in East Yorkshire. Start at 7-30pm in the Village Hall. £2-50. All welcome.

We have a guided tour of Hull City of Culture arranged for the afternoon of Thursday 26th October. If anyone is interested in going please contact Bruce on 01262 401147 for more info.

Items for publication in the November issue should reach me by 25/10/17

Burton Fleming Parish Council News

Presentation on Fracking

There was a short presentation on the subject of Fracking held at the Village Hall on Tuesday 12 September. Despite the poor turn out, it was very informative. The main aim of the presentation was to raise awareness and share information so that residents have some idea of what they can do if faced with any problems due to fracking. If you would like to know more then please contact Mr O'Donoghue by e-mail: odon_michael@yahoo.co.uk

Next Parish Meeting

The next Parish Council meeting is to be held on 14 November 2017 at 7.00pm in the Village Hall.

Printer/Photocopier

Thank you to Crispin Blyth for the kind donation of his old printer/photocopier to the Parish Council.

Increased Presence of Rats

Following reports of the increased presence of rats around the Back Street Pond area, we have had Pest Control visit the village to assess the situation. Although they found one rat they do not think it is safe to put poison down because of the ducks. We would therefore ask that residents limit how much food they put out for the ducks. A few pieces of bread are acceptable but please do not leave large amounts of food which will attract the rats.

Telephone Kiosk

The Parish Council have now taken ownership of the telephone kiosk and would like to appeal to residents of the village for any bright ideas as to what this can now be used for. Common uses already proposed are:

- Installation of a Community Defibrillator.
- Use as a lending library/book swap.

If anyone has any other ideas then please let the Clerk know - see contact details below.

Should you wish to report any concerns, make comments, or submit items for discussion at future meetings, please do not hesitate to contact Jennifer Hobson (Clerk) during office hours on the following details: Tel: 07542874957, Email: clerk@burtonflemingpc.co.uk

VIEW FROM THE VICARAGE

Dear Friends.

This month sees the end of British Summertime, although we could argue whether we have had much of a summer.

Of course, compared to many countries we have done well, weather-wise. No floods, hurricanes, tornadoes, earthquakes etc etc. I think it's often what we British start a conversation with... 'It's been dreadful weather lately, hasn't it', Did we worry, up here in Burton Fleming, about the weather. Then I got to thinking about what we do worry about.

What causes you to worry? Death; job; war; health problems; driving; what other people think about you. Do the things we worry about change as we get older? Because as I have grown older the things around me have changed; I didn't worry about my children when I didn't have them; I didn't worry about my health when I was young and carefree.

In your life what do you strive for? Success; a comfortable lifestyle; the approval of others; happiness; peace in your heart. How has worrying about the things of your life solved any problems? It hasn't for me but I think talking to God helps me to stay focused on things and makes me feel like I am in control of my direction and choices.

Find some quiet time, I know it's not always easy but it does help, I can recommend talking to God! He is a good listener and just being quiet with him enriches our life. Try it!!

With Love,
Revd Barbara
