

At the end of each season the Burton Fleming History Group arrange visits to somewhere of local and historical interest. This year, what could have been more historical than the village Church? Thanks to the Church for handing out leaflets on the history of the building and to geologist Richard Meyerscough, our guide, for his descriptive approach in explaining the many different types of stonework that have been used over the centuries to build and repair this lovely building. After walking around the Church we went on to view the stonework built into the old Manor House with its mix of brick, cobbles and Roman corner stones. Seeing all this through the eyes of a very

enthusiastic geologist threw a different historical light on two of the oldest buildings in the village. We ended the evening with a social get together and buffet in the Burton Arms.

If you wish to know more about our Group give Bruce a ring on 01262 401147 or just turn up for our next meeting on September 21st when we restart with a talk on duelling in East Yorkshire.

JUNE

The month of June comes from the Roman, or Julian, calendar. June was initially named Iunius. The name either comes from the Roman goddess Juno, wife of Jupiter, or from the word "iuniores", the Latin word for "younger ones". In the early Roman calendar June only had 29 days. It was Julius Caesar who added the additional day giving June 30 days.

Birthstone: Pearl

Flower: Rose

Zodiac signs: Gemini and Cancer

It is the first month of the summer season.

June is known as a great month to get married.

The famous English tennis tournament Wimbledon is played during the month of June.

The longest day of the year occurs on either June 21st or 22nd.

VIEW FROM THE VICARAGE

Dear Friends.

We are now in the season of Pentecost and I wonder what Pentecost means to you? Maybe not a lot! Well, I'm going to reminisce for a while now, Pentecost has replaced Whit Sunday in the church calendar and I guess some of you, like me, might be nostalgic for the popular Whitsun of our younger days. I have happy memories of the church festival and the 'Whit Walks' of Christian witness. White dresses were worn on 'White Sunday' by girls who held ribbons tied to an enormous banner that said 'God is love', it only came out once a year, I often thought how strange !!

Hundreds of parishioners marched behind the Church Lads' Brigade Band to the traditional Field Day which marked the beginning of the national holiday. It was an occasion celebrated by music, stalls of delicious homemade jams, chutney, pies and cakes. Children's silly games followed, I was good at welly-throwing and even sillier races on the field.

It was not only a happy time but also an impressive occasion of open-air witness. All this was, of course, before the politicians decided to make the 1st of May (Labour Day) a Bank Holiday and fixed the last Monday of May as Spring Bank Holiday. So the holiday became secular and the traditional customs ceased, processions became fewer until, eventually, the 'Whit Walks' stopped. The name Whitsun lost its religious significance and there were no more white dresses....sad !

However, Pentecost Sunday is on the 4th June this year, it is the time when the Holy Spirit came to the disciples & the Church of God was born. So, Happy Birthday, Church! You are all invited to the party on the 4th June to celebrate this great event!

Love & blessings,
Revd Barbara

The 'HEDGEHOG FRIENDLY VILLAGE' was a great success and certainly put BURTON FLEMING on the map. Several of us have observed hedgehogs in our gardens at dusk and for those that have not keep putting the food out so that they will return when you least expect it. I have had a wonderful letter from a 98 year old gentleman from Kent who on reading the Times, reminded him of the time he spent in Burton Fleming with the tanks in 1943. He sent a small donation for the Hedgehog funds as a token of thanks to the residents who greeted him with enormous goodwill and friendship all those years ago.

The May Coffee Morning raised the fantastic amount of £204.00, It was very well attended with people coming from far and wide. We again had some excellent donations of cakes, bric a brac, arts & crafts, plants, vegetables and books, and the ever popular square competition. Thank you so much. Please remember us when you are disposing of any bric a brac and books. We are continually rolling over stock, which when unsold, we take to various charity shops in the area.

If there is anyone who would like to volunteer to help on the coffee mornings we would be most grateful especially as we are all having holidays and require further cover.

We have had an enquiry regarding setting up a mothers and toddlers group again, in the hall. If there is anyone interested in setting up and running one then please do hesitate to contact me.
