Burton Fleming Parish Council News

Anti-social behaviour... Report it!

The East Riding of Yorkshire Council and Humberside Police Force work closely to tackle Anti-social behaviour.

Anti-social behaviour is any aggressive, intimidating or destructive activity that damages or destroys another person's quality of life. Anti-social behaviour can have a serious impact on individuals and whole communities. It reduces feelings of safety and will not be tolerated.

At the East Riding of Yorkshire council, we have a team of officers dedicated to support and protect you and also take action against those who choose to make your life a misery. We firmly believe in early intervention in the East Riding rather than resorting to legal action. We have used early intervention tools successfully for a number of years and this will continue.

For advice and guidance on what you can do if you are suffering from anti-social behaviour or know others whose quality of life is being affected and are too frightened to do anything about it themselves, we encourage you to visit our website at www.eastriding.gov.uk. Our website provides information on anti-social behaviour, what is it, what and who to report an issue to.

If you would like to report anti-social behaviour to the council, you can the anti-social behaviour team, in strictest confidence by:

Email: safe.communities@eastriding.gov.uk

Telephone: 01482 396380

VIEW FROM THE VICARAGE

Dear Friends.

Well, here comes summer... and indeed it has.....sunshine and blue skies....at last !!!

I like the sunshine & the warmth and I am grateful that this lovely part of East Yorkshire has enjoyed such weather and we don't have drought, famine or earthquakes. Neither do we have the threat of terrorism, nor do we have skyscraper flats.... but..... we mustn't become complacent. We have been praying for all these situations and I'm sure many folks have helped in different ways.

I always think of the word ARK at times like these... Acts of Random Kindness.....and we read of so many of these that have occurred over the past weeks and kindness is so important....it is one of the fruits of the Holy Spirit and Christians, try to follow the words of St Paul as he tells of these fruits in his Letter to the Galatians. It is not easy when we read of so many atrocities but evil will never win, terrorism will never win, murder and destruction will never win..... we have our part to play too....we must be vigilant, be aware of what is going on around us, be ready!

Take care, love & blessings to you all,

Love & blessings,
Revd Barbara
